

CHAIN BREAKER

IPA

The purpose of life is to live it.

Whether it's busting through barriers or blazing down a mountain bike trail, Chain Breaker IPA is a celebration of the path less traveled and not letting life escape us. American hops provide waves of big grapefruit aromas and a refined bitterness that ride a knife's edge of balance and flavor.

PAIRING:

Enjoy a Chain Breaker IPA with BBQ, tacos, bratwurst from the grill or even Indian cuisine. This beer loves to be paired with big flavors.
