

TROPIC THUNDER

HAZY IPA

When you're up for anything.

A fan favorite, Tropic Thunder is a perfect storm of juicy flavors and craftsmanship. Using a blend of English malts, oats, and wheat, we've created a velvety New England-style IPA that's dangerously drinkable. American and Australian hop varieties deliver unmistakable tropical aromas and flavors that float through the palate cleanly and concisely, allowing you to unabashedly enjoy the next sip.

PAIRING:

With its fruity juiciness, Tropic Thunder Hazy IPA pairs perfectly with charred meats and caramelized vegetables.
