## VIENNA LAGER

**Do your own thing and change the world around you.**

Vivienne is an homage to design icon and activist Vivienne Westwood, the irreverent pioneer of the 1970s British Punk scene. Like the Queen of Punk, our Vienna lager fearlessly pushes the boundaries of life as usual. Notoriously challenging to craft, Vivienne has an elegant, decisive bitterness with malty notes of dried fruit, biscuits and toasted caramel.

### PAIRING:

Vivienne Vienna Lager is a perfect match with north Italian cuisine. Try it with roasted veal or pork, baked shank, lasagna or a bolognese sauce.
